Accommodation: the bungalow is within walking distance of the centre of Brugnato (500 mt). Situated in a wooded area, sleeps 2 - 4 persons. It is composed of a living room with fireside, equipped kitchenette, bathroom, veranda, laundry, private garden and private parking.

Location: Brugnato is a medieval "comune" (municipality) in the Province of La Spezia in the Italian region Liguria, located about 70 km southeast of Genoa and about 15 km northwest of La Spezia. Approximately 12 km from the Cinque Terre which comprise five villages: Monterosso al Mare, Vernazza, Corniglia, Manarola, and Riomaggiore.

The coastline, the five villages, and the surrounding hillsides are all part of the Cinque Terre National Park and is a UNESCO World Heritage Site. The Cinque Terre is noted for its beauty. Over centuries, people have carefully built terraces on the rugged, steep landscape right up to the cliffs that overlook the sea. Part of its charm is the lack of visible "modern" development. Paths, trains and boats connect the villages, and cars cannot reach it from the outside. It is a very popular tourist destination.
